METHOD AND PROCEDURE OF REGISTRATION OF FOREIGN SECURITIES IN THE REGISTRY OF CDCP

Article 2

Keeping of registration of the foreign book-entry securities in CDCP

- 2.1 To keep registration of the foreign securities CDCP has opened the foreign account of CDCP in Centrální depozitář cenných papírů, a.s. with seat in the Czech Republic.
- 2.2 Prerequisite for acquisition of foreign securities to the foreign account of CDCP is registration of data on foreign securities in CDCP.
- 2.3 CDCP registers data on the foreign securities in the special registry of the foreign securities that is not a registration of securities pursuant to the § 107 of the Act.
- 2.4 To the scope of data in the special registry of the foreign securities pursuant to the item 2.2 of this Article, provisions of § 107 of the Act apply adequately; e.g. the special registry includes mainly:

The Rules of Clearing and Settlement

- a) business name and registered address of the issuer,
 - b) Foreign Identification Number (FIN) assigned by CDCP,
 - c) ISIN,
 - d) nominal value of the foreign securities located on the foreign account of CDCP; if the foreign securities do not have the nominal value, according to the legislation of the state in which the securities were issued, in data entry for the nominal value is stated „0“ (zero),
 - e) value of registered capital of issuer at the time of submitting of the application in accordance with item 3.1 of the Article 3 of this part of the Rules of Operation,
 - f) type of security;
 - g) issue date of the issue;
 - h) type of currency in which are the foreign securities, located in the foreign account of CDCP, issued;
 - i) number of the foreign securities issued by the issuer for given ISIN,
 - j) number of the foreign securities that are located in a special registry of CDCP
 - k) date and time of the entry into the special registry.
- 2.5 The foreign securities are registered in the special registry of the foreign securities under the ISIN that was assigned to the foreign security in the state where the foreign security was issued in.
- 2.6 When providing services of CDCP, to the immobilized foreign securities relate adequate provisions regulating providing of services for book-entry foreign securities shall apply adequately.
- 2.7 The condition for administration of data on the foreign securities in the special registry of the foreign securities is that the handling the foreign securities conditioned by these Rules of Operation does not contradict legislation of the state under which the foreign securities were issued.
- 2.8 CDCP can terminate registration of data on the foreign securities in special registry of the foreign securities only if there are not data on a foreign security of particular ISIN on the CDCP's foreign account.
- 2.9 In case that issuer of the foreign securities separates rights from the foreign securities, separate rights to the foreign securities are registered on the foreign account of CDCP.
- 2.10 Only such foreign securities may be transferred to the foreign account of CDCP, which fulfil following conditions:

 - e) the foreign securities are in compliance with the technical specification to the APV
 - f) the foreign securities are not bound with other rights or obligations that could prevent handling the foreign securities in the Slovak Republic.

Article 3

Receiving, crediting and debiting of foreign securities on/from owner's account/s

- 3.1 CDCP decides on accepting of the foreign securities to the special registry on the basis of written application of the BSSE in order to admit the foreign securities to regulated market.
- 3.2 The application pursuant to the item 3.1 of this Article must contain especially:
- a) business name and registered address of the issuer of foreign securities, CRN of the issuer if it was assigned to the issuer,
 - b) ISIN,

The Rules of Clearing and Settlement

- c) signature of the persons authorized to perform on behalf of BSSE according to the excerpt from the Commercial Register (signatures do not have to be verified).
The application is delivered by the post to the registered address of CDCP or personally to mail room of CDCP.
- 3.3 If CDCP, after receiving the request, finds out that the foreign securities are not in compliance with any of the conditions stipulated in the Section 2.10, item b), d) to f), CDCP has right to reject the request and not register the foreign securities to the special registry. CDCP has the right according to the previous sentence in case the request is not in compliance with the terms stipulated in the section 3.2 of this Article, or when the data stated in the request are void.
- 3.4 If the application pursuant to the item 3.1 of this Article with regard to the item 3.3 of this Article includes all essentials stated in the item 3.2 of this Article and CDCP obtains the data on the foreign securities according to the request in the item 3.2 of this Article from the registry of administrator of the foreign account of CDCP, then CDCP shall register foreign securities into the special registry of foreign securities without undue delay and consequently shall inform the BSSE about registration of foreign securities into the special registry.
- 3.5 CDCP acquires the foreign securities on the CDCP's foreign account only by form of the instructions submitted to the administrator of the CDCP's foreign account by the participant of the administrator of the foreign account of CDCP which is administering an account of the transferor. In case a foreign security that does not comply with the terms stipulated in the item 2.10, or is not recorded into the special registry of foreign securities, and is transferred on foreign account of CDCP, CDCP has right to transfer the foreign security on account of the transferor while CDCP is not liable for damage that occurs due to such transfer. The right and liability of CDCP according to the previous sentence applies also in case foreign securities which were not accepted to the special registry of foreign securities were transferred on the foreign account of CDCP.
- 3.6 The foreign securities in the special registry shall be credited by CDCP to owner's account in registration of member or CDCP on the basis of successfully realized instruction according to the item 3.5 of this Article. Condition for crediting of foreign securities is fact, that CDCP receives from a member or members identical instructions of a transferor who has opened the owner's account with the administrator of foreign account of CDCP, and transferee who has the owner's account opened with the member or CDCP pursuant to the item 4.1 of the Article 4 of this Part of the Rules of Operation. The member who is placing the instruction of the transferor is responsible also for placing the instruction to the administrator of the foreign account of CDCP.
- 3.7 Debit entry on the CDCP's foreign account is performed on the basis of an instruction from CDCP submitted to the administrator of the CDCP's foreign account.
- 3.8 CDCP shall debit the foreign securities from the owner's account in registration of the member or CDCP and transfer them into the special registry of CDCP based on successfully realized instruction pursuant to the item 3.7 of this Article. The condition for placing the instruction is the fact that CDCP shall, at the same time, receive from member or members identical instructions of transferee who has opened the owner's account with the same administrator of the foreign account of CDCP and transferor who has the owner's account opened with the member or CDCP in accordance with the item 4.1 of the Article 4 of this part of the Rules of Operation. The member placing the instruction of transferee is responsible for accuracy and completeness of data in the instruction submitted to the administrator of the foreign account of CDCP.
- 3.9 In case the issuer:
- a) shall increase/decrease registered capital and subsequently shall credit/debit the foreign securities on/from the foreign account of CDCP, CDCP shall credit/debit the foreign securities to owner of the foreign securities in compliance with the decision of relevant

The Rules of Clearing and Settlement

body of the issuer of the foreign securities in the registry of the member or CDCP whereas CDCP shall record the change in the special registry.

- b) shall decide about the change of the nominal value of the foreign securities, CDCP shall perform the change of the nominal value in the special registry of foreign securities and on respective owner's accounts without undue delay after this the change displays on the foreign account of CDCP.
- 3.10 If the foreign securities issue is set to technological status at the administrator of the CDCP's foreign account or other similar status of the issue when it is not possible to perform any services with respective issue, except services for the issuer of the foreign securities, CDCP shall set the issue of the foreign securities in the special registry to technological status and during the period when the issue is set to technological status, it is not possible to perform any services except services for processing of instructions of the issuer at the administrator of the CDCP's foreign account.
- 3.11 Provisions of the Part IV – The Rules of work with registration of the Rules of Operation apply adequately also to information services in relation to the foreign securities located on owner's account which fulfil the conditions stipulated in the item 4.1 of the Article 4 of this part of the Rules of Operation.
- 3.12 CDCP is providing information services in relation to the foreign securities held on owner's accounts in the registry of CDCP only on working days defined in legislation of the Slovak Republic.
- 3.13 If the transferor and the transferee have the owner's account open in the registry of a member or CDCP, provisions of the Part IV - the Rules of Work with Registration of the Rules of Operation apply adequately also to transfer / transition / movement of the foreign securities.
- 3.14 CDCP is not responsible for damages caused by late, wrong or incomplete instruction for registration of transfer / transition / movement pursuant to this Article.
- 3.15 Number of units of respective foreign securities issue on the foreign account of CDCP must be equal to the sum of all foreign securities from the issue registered on owner's account in the registry of CDCP and its members.
- 3.16 If a difference in number of securities according to the previous item of this Article occurs, CDCP shall keep a registry on such facts, including the reason of occurrence.

Article 4

Handling the book-entry foreign securities in registry of CDCP

- 4.1 Foreign securities may be acquired on owner's accounts only by persons who concluded an agreement on arrangement of mutual rights and obligations related to securities administration with CDCP, in case the owner's account is kept in the registry of CDCP, or with a member if the owner's account is kept in the registry of the member.
- 4.2 The lien – CDCP keeps the Pledge Register for book-entry foreign securities that are kept in the special registry of foreign securities in accordance with the Article 2 of this Part of the Rules of Operation.
- 4.3 Provisions of the Article 23 – of the Part IV The Rules of work with registration of the Rules of Operation apply also to the method and procedure of the registration of the establishment/change/termination of lien to foreign security to the Pledge Register according to § 45 and following of the Act.
- 4.4 Provisions of the Article 24 and the Article 26a of Part IV - The Rules of work with registration of the Rules of Operation apply also to the method and procedure of the registration of establishment/change/termination of pledge to the foreign security on the owner's account according to § 53a and following of the Act.

 - b) The cash leg - a transfer of cash between accounts of participants via the payment system in case of instruction financial settlement;
- 2.4 Clearing shall mean the computation of mutual obligations and claims of participants resulting from closed stock exchange trades or from placed instructions for settlement of OTC trades. Results of the clearing procedure are positions determining final cash obligations or final cash claims of the participant.
- 2.5 The participants are divided by their participation in the payment system into two groups:
- a) "Direct participants" – participants having the cash account in the payment system and performing the cash leg of the settlement of their own trades and trades for participants stated in Section 2.5 Subsection b) of this Article,
 - b) "Indirect participants" – participants that do not have cash account in the payment system and the cash leg of trades they settle via the direct members.
- 2.6. The CDCP acts in the payment system as an operator of ancillary system that submits to the settlement system the payment instructions that are settled on the cash accounts of direct members in the payment system. During the settlement of the payment instructions, CDCP usually uses its technical account opened in the payment system.
- 2.7. In case the direct participant in the payment system grants its mandate for collection to the CDCP, the cash corresponding with positions of the direct member shall be automatically transferred via the payment instructions placed by CDCP if:
- a) in case of the stock exchange trades, the direct participant does not request by the given time for a concrete position a change by which it shall deliver cash itself to the cash account of CDCP,
 - b) in case of instructions for settlement of the OTC trades, the direct participant does not set in the instruction that cash shall be sent by the participant itself to the cash account of CDCP.
- 2.8. In case that direct participant in the payment system does not grant to the CDCP the mandate for collection, direct participant is obliged to send cash within the settlement of the cash leg itself to the cash account of CDPC opened in the payment system, according to the valid time schedule of the clearing and settlement. Vis-à-vis such participant the CDCP shall always act in the payment system as the direct participant and transfers of cash to be credited to the cash account of such participant shall be realised via its cash account.
- 2.9. If the indirect participant has its cash account kept with the direct participant that granted to the CDCP the mandate for collection, the provisions of Section 2.7 of this Article shall apply accordingly also to indirect participant.
- 2.10. If the indirect participant has its cash account kept with the direct participant that has not granted to the CDCP the mandate for collection, the provisions of Section 2.8 of this Article shall apply accordingly also to indirect participant.
- 2.11. The participants in the clearing and settlement system, pursuant to the par. 99, section 16 of the Act, are as follows:
- a) CDCP,
 - b) Members, if the agreement concluded with the member stipulates otherwise,
 - c) BSSE and in case of the stock exchange trades also members of the BSSE,
 - d) NPF and the state body acting on behalf of SR that have the owner's account opened by the CDCP.

The Rules of Clearing and Settlement

- 2.12. The participants are entitled to place settlement instructions into the clearing and settlement system in compliance with the Act, the Rules of Operation of the CDCP and the Executory Decrees.
- 2.13. For the settlement instruction which entered the clearing and settlement system is deemed such instruction, which is in compliance with the technical specification to APV of the clearing and settlement system and the Rules of Operation.
- 2.14. The participants are informed on the result of the clearing and settlement via the APV of the clearing and settlement system.
- 2.15. The due date for fulfilment of obligations arising from the stock exchange trades in financial instruments shall be set on the third working day that follows the day of closing the trade on BSSE (T+3), unless the BSSE or participants do not set another due date for fulfilment of obligations. CDCP shall settle the instructions without financial settlement and instructions with financial settlement by means of gross clearing also in the shorter due dates if conditions of the time schedule of clearing and settlement are met.
- 2.16. CDCP shall stipulate the details of clearing and settlement in the Executory Decree on rules of clearing and settlement.

Article 3

Types of transactions and their settlement

- 3.1. Instructions with financial settlement are settled via the 'delivery versus payment' (DvP) method, i.e. financial instruments are delivered against payment. The settlement of liabilities and claims is performed on the side of financial instruments and cash; the financial instruments are only delivered if the cash is delivered and vice versa.
- 3.2. In the CDCP's terms, 'delivery versus payment' means the guarantee of the CDCP that the delivery of financial instruments to the transferee's account shall not be made without the fulfilment of financial obligation of a participant in the payment system and, vice versa, the guarantee that the financial claims of a participant in the payment system will not be satisfied without the delivery of financial instruments.
- 3.3. Instructions without financial settlement are settled via the 'free of payment' (FoP) method, i.e. financial instruments are delivered without payment. Liabilities and claims are settled only on the side of financial instruments and the financial instruments are delivered without delivering cash.
- 3.4. A public offer to take over shall always be settled via the 'DvP' method.

Article 4

Calculation of amount of cash obligations and cash claims

- 4.1. When calculating the amount of obligations and claims the CDCP shall use the 'netting' method and the 'gross' method.
- 4.2. The 'netting' method is a mutual accounting of the cash obligations and claims of participants. The positions of individual participants shall be determined on the basis of transactions that have been cleared by the netting method.
- 4.3. The 'gross' method determines the value of the cash obligation/claim of a participant separately for each transaction or settlement instruction.
- 4.4. The 'netting' method is the primary clearing method for stock exchange trades, unless the BSSE stipulates otherwise in the Stock Exchange Rules.
- 4.5. Instructions for settlement of OTC trades shall be cleared via the 'gross' method.
- 4.6. Transactions resulting from obligatory public offers to take over shall not enter the clearing by netting method along with other transactions. For the participants in

clearing, the positions on the side of cash shall be determined separately for every public offer to take over.

Article 5

Rights and obligations of participants in the clearing and settlement system

5.1. Rights:

- a) to have access to the clearing and settlement system via a specified software application (APV) ;

Article 6

Rights and obligations of BSSE

- 6.1. The BSSE, as a participant in the clearing and settlement system, has the following rights:
 - a) to place instruction for settlement of the stock exchange trade;
 - b) to use the services of clearing and settlement system, provided by the CDCP;
 - c) to receive information on the state of processing of its instructions;
 - d) to submit a request for postponement of the clearing and settlement time schedule. The procedure for submission of the request can be found on the CDCP's website.
- 6.2. The BSSE as a participant in the clearing and settlement system has the following obligations:
 - a) to use the APV under stipulated terms;
 - b) to perform, on time, all actions necessary for successful settlement of instructions in compliance with the clearing and settlement time schedule.

Article 7

Rights and obligations of CDCP

- 7.1. The CDCP has the following rights:
 - a) to obtain, from a participant all data necessary for successful settlement of instructions in compliance with the item 2.1 of Article 2 of this Part of the Rules of Operation;
 - b) to decline an inexecutable settlement instruction;
 - c) to suspend the settlement of a stock exchange trade pursuant to Art. 15 of this section of the Rules of Operation;
 - d) to suspend the settlement of an instruction or cancel the settlement of instruction due to failure to fulfil the obligation of the participant pursuant to Section 5.2 of the Article 5 of this section of the Rules of Operation;
 - e) to decline a request of a participant for postponement of the clearing and settlement time schedule (for example, in the case of late submission of such request i.e. the activity that should have been postponed is already performed, or due to link-up of postponement to the schedule of operation of the payment system etc.);
 - f) if required by non-standard circumstances, to change the clearing and settlement time schedule, as to its times and content, for a maximum period of duration of the non-standard circumstances. Once non-standard circumstances occur, all participants shall be informed of such circumstances without undue delay.
 - g) if required by non-standard circumstances to call on the participants to send cash equal to obligation resulting from clearing by means of gross or netting method to the cash account of CDCP in the payment system whereas the CDCP shall follow accordingly pursuant to Section 7.1 Subsection f) of this Article.
- 7.2. The CDCP has the following obligations:
 - a) to use the SA under stipulated terms;
 - b) to perform all actions necessary for successful settlement in compliance with the clearing and settlement time schedule; in particular to ensure the delivery of financial instruments against payment upon fulfilment of the correctness criterion of the participants' instructions, sufficiency of financial instruments and cash in compliance with information specified in the settlement instructions;

- c) to make available, to the participants information on the state of processing of their instructions;

Article 8

Clearing and settlement of stock exchange trades

- 8.1. This Article governs clearing and settlement of stock exchange trades
- 8.2. The act of making accessible the dispositions of trade and the dispositions of settlement for CDCP by the BSSE, is deemed to be an instruction for settlement of the stock exchange trade.
- 8.3. CDCP shall settle the instruction placed by the BSSE on intended day.
- 8.4. The BSSE shall perform the clearing of stock exchange trades in the manner stipulated by the Stock Exchange Rules. The BSSE shall define the participants in the clearing and their obligations.
- 8.5. In case the account of transferor and/or transferee specified in dispositions of trade and in the dispositions of settlement of the stock exchange trade is in the registry of a member which is not identical with the BSSE member who represented the transferor and/or transferee in the given transaction (and also confirmed the dispositions of settlement of trade), the member's consent is required whereby the instruction must be forwarded for settlement to the registration administered by the member. If the transferor's and/or transferee's account is in the registration of a member that is identical with the BSSE member that has represented the transferor and/or transferee in the given transaction (and has also confirmed the dispositions of transaction settlement), the confirmation of dispositions of transaction settlement shall be deemed as the consent with settlement to the member's registration. If the transferor's and/or transferee's account is in the CDCP's registration, the consent is not required. The right of member to submit the instruction according to Item ii) and iii) Subsection c) Section 5.1 of the Article 5 of this section of the Rules of Operation of CDCP is not be checked by the CDCP and CDCP is not liable for damages arising from unauthorised placement of instruction.
- 8.6. The consent with settlement to a member's registration shall be confirmed in the clearing and settlement system by that member, separately for every instruction and the CDCP shall forward the information on the confirmation of consent to the BSSE via this system. The BSSE is entitled to send the order for settlement to a member's registration only if the consent has been confirmed by that particular member.
- 8.7. CDCP shall assign the reservation flags to financial instruments that are subject to settlement:
 - a) In SD-1 for instructions with financial settlement
 - b) in the given SD for instructions without financial settlement and for instructions which SD is equal to the trade date.
- 8.8. In case an instruction for settlement of the stock exchange trade without financial settlement precedes another instruction for settlement of the exchange trade with financial settlement (that must be settled on the same SD), CDCP shall assign the reservation flag to financial instruments on SD-1.
- 8.9. If linked-up transactions were settled via "netting" method, the reservation flag must be successfully assigned to those financial instruments which are subject to the first instruction pending the settlement.
- 8.10. Successful assignment of reservation flag is considered for fulfilment of obligation to deliver financial instruments.

The Rules of Clearing and Settlement

- 8.11. BSSE shall make accessible the results of clearing of the stock exchange trade to CDCP after assignment of the reservation flags.
- 8.12. In case that SDR is registered on an issue of book-entry securities and date of SDR expiration is equal to SD-1, CDCP shall assign reservation tags on SD.
- 8.13. On SD-1, the CDCP shall not assign reservation tags to financial instruments in case that:
 - a) the issuer submitted, on SD-1 at the latest, the instruction to register the SDR on the entire issue of book-entry securities,
 - b) CDCP has set or in SD will set the issue of book-entry securities to technological status based on the agreement concluded with the issuer.
- 8.14. In case of instruction with financial settlement, after fulfilment of the obligation to deliver financial instruments:
 - a) for positions where cash is to be transferred via CDCP, corresponding payment instructions are sent to the payment system;
 - b) for positions where a participant is itself in charge of sending the cash, CDCP shall await information from the payment system;
- 8.15. The moment of fulfilment of the obligation to deliver cash is in case of transfer of the cash via CDCP considered receipt of the information from the payment system:
 - a) on debiting cash equal to the obligation of the participant from the cash account of the direct participant in the payment system and on crediting of cash equal to the claim of the participant in favour of the cash account of direct participant in the payment system in case of gross method;
 - b) on debiting of cash equal to the obligation of the participant from the cash account of direct participant in the payment system and on crediting of cash in favour of technical account of CDCP in case of netting method.
- 8.16. For the moment of fulfilment of obligation to deliver cash is, in case cash delivery is provided by the participant itself, considered receiving information from the payment system on crediting of cash to the cash account of CDCP in the payment system.
- 8.17. In case that CDCP does not receive from the payment system information pursuant to Section 8.15 and 8.16 of this Article by the deadline, it shall announce this fact to the BSSE. The BSSE shall take such measures so that successful settlement of instruction in question on set SD is provided for; by doing that it follows the stock exchange rules.
- 8.18. After fulfilment of the obligation to deliver financial instruments for instructions without financial settlement, or fulfilment of the obligation to deliver financial instruments and, at the same time, of the obligation to deliver cash for instructions with financial settlement:
 - a) CDCP shall execute securities leg of the settlement based on instructions to register a transfer placed by the BSSE;
 - b) the CDCP on the basis of instruction of the BSSE shall inactivate the reservation tag in case of settlement from/to holder's account, where the transferor and the transferee are registered in registry pursuant to § 71h paragraph 2 of the Act of the same holder in the same holder's account,
 - c) CDCP sends the payment instructions to the payment system based on which the cash equal to the claim of the participant is debited from technical or cash account of CDCP and credited in favour of cash account of direct participant in the payment system in case the obligation to deliver cash was not fulfilled pursuant to Section 8.15 Subsection a) of this Article.
- 8.19. If the assignment of a reservation tag fails, the BSSE is shall take the measures in order to ensure successful settlement of the given transaction on the given SD or,

The Rules of Clearing and Settlement

- respectively, within the shortest possible time. If not even repeated assignment of a reservation tag or the realisation of transfer of the financial instruments are not successfully accomplished, the cash shall be returned to the cash account of direct participant and BSSE shall take the steps according to stock exchange rules.
- 8.20. If the assignment of a reservation tag is successful, but the counterparty fails to deliver cash or, respectively, fails to deliver them in the required amount within the time allowing successful settlement of a given instruction (resulting from the time schedule of the clearing and settlement system), CDCP shall cancel the reservation tag, and BSSE shall take the steps according to the stock exchange rules.

Article 9

Article 10

Clearing and settlement of OTC trades

- 10.1 This article rules the clearing and settlement of OTC trades.
- 10.2 Instructions for settlement of OTC trades are placed by participants to the clearing and settlement system whereas they are responsible for completeness and correctness of placed instructions.
- 10.3 CDCP shall settle instructions placed by participants on instructed settlement day.
- 10.4 An instruction for settlement of an OTC trade contains:

The Rules of Clearing and Settlement

- a) trade dispositions, including supplementary data necessary for successful settlement of the instruction;
 - b) settlement dispositions;
- 10.5 The technical specification to the APV contains details on the content of the settlement instruction and technical details.
- 10.6 Settlement instruction is placed to the clearing and settlement system by a participant representing the transferor and/or transferee, with transaction dispositions and settlement dispositions for his side of the transaction. The participant representing the counterparty shall confirm dispositions of the trade in submitted instruction by filling in settlement dispositions for his side of the trade. In the event that he disagrees with certain dispositions of the trade, he shall submit a new instruction with altered data and wait for the counterparty's confirmation.
- 10.7 In instruction for settlement of OTC trades with financial settlement the participant in the clearing and settlement system representing the transferee has the obligation to mark, whether it shall deliver cash to the cash account of CDCP itself or cash should be transferred by CDCP.
- 10.8 Settlement instructions are matched after confirmation of dispositions of the trade by both parties to the trade. CDCP shall assign the reservation tag and settle matched instructions only in case that both counterparties have confirmed the readiness for settlement in the corresponding field of instruction.
- 10.9 Trade dispositions cannot be corrected or altered once the instruction has been submitted to the clearing and settlement system. Selected settlement dispositions can be corrected and altered, provided that the status of processing of the instruction allows it.
- 10.10 The right of member to submit instruction pursuant to the indent ii) and iii) Subsection c) Section 5.1 of Article 5 of this part of the Rules of Operation shall be controlled by CDCP on a given SD prior to assigning the reservation flag. CDCP shall not be liable for any damages that arise by the fact that during SD the authorised member, who is not the participant that submitted the instruction, has been registered in the account of the client.
- 10.11 CDCP shall assign the reservation tags to financial instructions that are being settled on a given SD.
- 10.12 Successful assignment of reservation tag is considered for the moment of fulfilment of obligation to deliver financial instruments.
- 10.13 In cases when submitted instruction for settlement of OTC trade precedes instruction for settlement of the stock exchange trade with financial settlement (that should be settled on the same SD), CDCP shall assign reservation tags to financial instruments on SD-1.
- 10.14 After meeting the obligation to deliver financial instruments for instructions with financial settlement:
- a) for positions where cash is to be transferred by CDCP, the relevant payment instructions are sent to the payment system;
 - b) for positions resulting from the trades where delivery of cash is provided for by the participant itself, CDCP shall wait for information from the payment system.
- 10.15 In case of transfer of cash by CDCP, information from the payment system on debiting the cash in the amount of participant's obligation from the cash account of direct participant in the payment system, and on crediting the cash in the amount of participant's claim in favour of the cash account of direct participant in the payment system, shall be deemed to be the moment of fulfilling the obligation to deliver the cash.

The Rules of Clearing and Settlement

- 10.16 In case that delivery of cash is provided for by the participant itself, information from the payment system on crediting the cash to the cash account of CDCP in the payment system shall be deemed to be the moment of fulfilling the obligation to deliver cash.
- 10.17 In case that CDCP does not receive information from the payment system pursuant to Section 10.15 and 10.16 of this Article until the given deadline, CDCP shall take the steps according to Section 10.20 of this Article.
- 10.18 After the obligation to deliver financial instruments in case of instructions without financial settlement or after the obligation to deliver financial instruments and at the same time the obligation to deliver cash are met:
- a) CDCP shall realise securities leg of settlement;
 - b) CDCP shall cancel the reservation tag in case of settlement from/to holder's account, where the transferee and the transferor is registered in registry kept in compliance with § 71h paragraph 2 of the Act of the same holder in the same holder's account,
 - c) CDCP shall send to the payment system the payment instructions based on which cash corresponding to the claim of the participant is debited from the cash account of CDCP and credited in favour of the cash account of direct participant in the payment system in case that the obligation to deliver cash pursuant to Section 10.16 of this Article was met.
- 10.19 If assignment of a reservation tag fails, participant must take appropriate measures to ensure successful settlement of a given instruction on a given SD. In case of repeated failure of assignment of reservation tag, or if realisation of transfer of financial instruments is not accomplished successfully, cash shall be returned to the cash account of direct participant and the instruction shall remain unsettled.
- 10.20 If assignment of a reservation tag to securities was successful but the counter-party failed to deliver cash or, respectively, failed to deliver cash in the required amount within the time allowing for successful settlement of a given instruction (resulting from the time schedule of clearing and settlement), CDCP shall cancel the reservation tag and the instruction shall remain unsettled.

Article 11

Time schedule of clearing and settlement for OTC trades

- 11.1 This Article stipulates the time schedule of clearing and settlement of OTC trades.

- 11.8 Securities leg of settlement of OTC trades is on SD realised continuously from 8:00 until 18:00.

Article 12
Settlement of trades in foreign securities

- 12.1 This Article rules mainly the securities leg of settlement of trades in foreign securities that should be effected by:
- a) transfer of financial instruments from the account of transferor that is open with administrator of foreign account of CDCP to the foreign account of CDCP and with subsequent credit of foreign securities from the special registry of foreign securities to the account of transferee that is kept in the registry of member or CDCP,
 - b) transfer of financial instruments from foreign account of CDCP to the account of transferee that is open with administrator of foreign account of CDCP and with subsequent debit of foreign securities from the account of transferor that is kept with registry of member or CDCP to the special registry of foreign securities,
 - c) transfer of financial instruments from the account of transferor that is open with administrator of foreign account of CDCP to the foreign account of CDCP and with subsequent transfer of financial instruments from foreign account of CDCP to the account of transferee opened with the administrator of foreign account of CDCP.
- 12.2 Other provisions of this part of the rules of operations stipulating clearing and settlement of the stock exchange and OTC trades apply adequately to the settlement of trades in foreign securities pursuant to subsection 12.1 of this Article unless this Article stipulates otherwise.
- 12.3 This Article does not apply to clearing and settlement of trades in foreign securities where securities leg of settlement should be executed by transfer of financial instruments from the account of transferor to the account of transferee that are kept in the registry of member or CDCP.
- 12.4 Instruction that CDCP should settle in compliance with subsection c) of section 12.1 of this Article can be submitted to the clearing and settlement system only by the stock exchange.
- 12.5 Within the framework of settlement of securities leg of trades in foreign securities, foreign securities can be credited from the special registry of foreign securities only to the owner's account open in the registry of member or CDCP.
- 12.6 Trade in foreign securities where within the framework of settlement of its securities leg the transfer of financial instruments is executed from the account and/or to the account that is open with administrator of foreign account of CDCP, CDCP shall settle only during the operating day that equals to the accounting day of administrator of foreign account of CDCP.
- 12.7 CDCP shall settle trades in foreign securities in two settlement cycles.
- 12.8 For the moment of meeting the obligation to deliver financial instruments it is considered:
- a) the successful assignment of reservation tag in case that account of transferor is open in the registry of member or CDCP,
 - b) execution of transfer of foreign securities to the foreign account of CDCP and mapping this transfer to settlement instruction in the clearing and settlement system in case that account of transferor is open with administrator of foreign account of CDCP.
- 12.9 If obligation of the participant to deliver financial instruments is not met in the first settlement cycle, CDCP shall forward instructions to the second settlement cycle and if it concerns instructions for settlement of stock exchange trades it shall inform about this fact the stock exchange.
- 12.10 Information received from the payment system:
- a) on debiting the cash corresponding to obligation of participant from the cash account of direct participant in the payment system and on crediting this cash in favour of the technical account of CDCP,
 - b) on crediting cash to the cash account of CDCP in payment system in case that participant itself is responsible for cash delivery.

The Rules of Clearing and Settlement

- 12.11 After meeting the obligation to deliver financial instruments for instructions without financial settlement or after meeting the obligation to deliver financial instruments and at the same time the obligation to deliver cash in case of instructions with financial settlement:
- a) CDCP shall credit foreign securities from the special registry of foreign securities to the account of transferee in the registry of member or CDCP,
 - b) based on successful execution of instruction for transfer of foreign securities from the foreign account of CDCP to the account of transferee open with administrator of foreign account of CDCP, CDCP shall debit foreign securities from the account of transferor open in the registry of member or CDCP to the special registry of foreign securities,
 - c) CDCP shall submit to the administrator of foreign account of CDCP instruction for transfer of foreign securities to the account of transferee open with administrator of foreign account of CDCP,
 - d) CDCP shall submit to the payment system the payment instructions that would effectuate the debit of cash corresponding to the claim of the participant from the technical or cash account of CDCP and credit it in favour of cash account of the direct participant in the payment system.
- 12.12 In case of settlement of the stock exchange trades, activity pursuant to subsection a) and b) and section 12.11 of this Article is executed on the basis of instruction of the stock exchange.
- 12.13 Unless the obligation of participant to deliver financial instruments is met in the second settlement cycle:
